If you intend to pay with credit card and your *credit card billing address* is in one of the PayPal restricted countries mentioned here, please use one of our suggested alternative methods of payment:

- You may ask a friend or family member with a billing address outside of your PayPal restricted country to process credit card payment on your behalf
- You may pay by check or bank draft made out to One Earth Evaluations in U.S. dollars
- You may transfer funds to One Earth via Western Union (<https://locations.westernunion.com/>)

One Earth strives to make our application process as straightforward and inclusive as possible and we apologize for any inconvenience the PayPal restrictions may cause. Do not hesitate to contact us on eval@oneearthevaluations.org or 1.608.205.8189 with any questions or concerns. We are here to help ensure a smooth and positive evaluation process from start to finish.
